Handmade Burgers

A close-up photograph of a man with a beard and glasses, wearing a white shirt and brown suspenders. He is holding a wooden fork with a piece of french fry on it, and his mouth is open as if about to eat it. In the background, a plate of food is visible, featuring a salad with shredded purple cabbage and other ingredients. The overall scene suggests a social gathering or a food festival.

★ *About us*

Fancy Fries is a family-run mobile catering business based in Sheffield.

Using fresh ingredients to make super tasty, loaded fries, handmade burgers, and fresh fish and chips.

Everything is made fresh on-site with the best ingredients we can find. All are served from our Vintage Rice Horse Box that we restored ourselves to add that to the magic of your event. We cater for weddings, corporate events and private parties. Our clients ranges from Lords to football club owners to celebrities and the work load gets stronger every year to where we need to expand as franchising.

So, If you want something different for your wedding, corporate event or party, impress your guests with Fancy Fries.
